

**TENNESSEE GENERAL ASSEMBLY  
FISCAL REVIEW COMMITTEE**

**FISCAL NOTE**

**SB 394 - HB 310**

March 19, 2013

**SUMMARY OF BILL:** Implies consent of any person anonymously posting on social media in violation of the cyberbullying law. Authorizes use of the implied consent to have the social media website disclose the communication and the person's log files, including IP address, to law enforcement, but not to obtain a warrant.

**ESTIMATED FISCAL IMPACT:**

**NOT SIGNIFICANT**

Assumptions:

- The bill likely makes it easier to convict someone of a violation of the cyberbullying law, but it is assumed that adding implied consent from posting anonymously will not have a significant impact on incarceration costs.
- According to the Department of Correction, the bill would have not significant impact on the department.
